

HALF DAY GUIDED TOUR TO THE HAMLET OF WONDERS OF LARI

Pasta, castle & salami experience

- Your private English speaking guide meets you at your property.
- You follow the guide to the destinations in Lari on your car.
- Once in Lari the guide shows you in detail the way of life in a typical small Italian village and introduces to you many attractions in town: a small artisanal pasta factory, a medieval castle and a traditional butcher's shop.
- The visit starts with a historical visit of the Castle of the Vicars, a very panoramic medieval fortress and the symbol of the town. Just opposite the castle, you will visit the traditional pasta factory Martelli. It is a small family run business and a very original artisanal company producing spaghetti, fusilli, maccheroni or penne, with a very peculiar philosophy.
- In Lari you also explore the cellar of a butcher's shop, built in an ancient dungeon. Here you taste a delicious light lunch made of several products made in a very traditional and unique way, such as prosciutto, finocchiona, salame, lardo etc.
